

Inauguration of Cycle Station on 06-07-2017

Smt. Sobhana K. S. Rao, IFS, Development Commissioner, Visakhapatnam Special Economic Zone inaugurated the DLF Cycle Station at DLF, Gachibowli, Hyderabad on 06-07-2017. The objective of DLF is to launch Redbike Station aiming to reduce carbon

footprint and promote healthy lifestyle. Cycle share is an environment friendly and efficient mode of transportation that allows users to commute short distances using cycles. Soon Hyderabad will have separate cycle tracks in select places to promote cycling among people. Separate tracks would be built to ensure safety of bicyclists like in many western countries and encourage bicycling culture in the city. The employees of units in DLF participated in the programme.
