

World Environment Day held on 05.06.2017

World Environment Day is celebrated at Visakhapatnam Special Economic Zone, Visakhapatnam on 5th June”2017.

Smt. Sobhana K. S. Rao, IFS, Development Commissioner, VSEZ and Dr. G.Trinadh Kumar, IFS, Jt. Development Commissioner, VSEZ and Unit Association Members and Units Heads and other Officers and Staff have participated in the programme and planted saplings in and around VSEZ and surrounding areas. On the occasion of World Environment Day, Development Commissioner has distributed saplings to the Units and requested them to plant the same in the premises of the units and requested to take proper care for the growth of the plants. Speaking on the occasion, Development Commissioner, has informed that they have sourced nearly 2,500 plants/saplings of different varieties for plantation during the occasion. Development Commissioner has informed that after taking over charge by her, this is the second time such an initiative has been taken up in the zone on the World Environment Day and massive plantation drive has been taken up in association with the units, she expressed happiness over the participation of all the units voluntarily in the programme. The Development Commissioner has also spoke about this year theme of **“Connecting People to Nature”** and gave a call to the units to save and protect the environment, she has also requested the units to give utmost importance to the clearance of garbage and for segregation of dry and waste separately/hazardous/non-hazardous and for their proper disposal.
