I am directed to refer to this Ministry's letter No. D.12/25/2012-SEZ dated 16<sup>th</sup> September, 2013 circulating a list of 58 services which may be permitted by all UACs as default authorised services. Subsequently eight (8) more services were included in the list in view of representations received in the Department.

2. Representations have been received in this Department that despite issue of default list of authorised services by DoC, the SEZ Developers and Units are forced to apply a fresh to UAC even for those authorized services which are already approved earlier by the UAC for the said Developers/Units. It is reiterated that directions issued vide instruction No. 79 dated 19.11.2013 may be followed and Development Commissioners should not insist on fresh application for authorized services already approved by UAC.

Yours faithfully,
